Reading- Unit test will be coming next week before Easter long weekend. We will do a novel following the Easter break.

Math- 4th graders have a test on fractions today. The next chapter will be about addition and subtraction of fractions.

Talent Show- The students are practicing the baseball vs. football skit at school, but their comedy / poetry talent show entry will need some outside of school practice time. I am proud of how they are getting into it. God has richly blessed these children and doing an act for the talent show is a way to show their thankfulness to their gracious God.

Golf Outing- Set the date on your calendar! It will be great fun!
